

# CHUN-MU, WENG<sup>‡</sup>

nevikw39@cs.nthu.edu.tw

I'm an enthusiastic competitive programmer who is eager to seek an opportunity to put all my strength into resolving real-world, hands-on problems.

## 1 Academic Performance

- Currently a senior at National Tsing Hua University (Taiwan), majoring in Computer Science (expected to graduate in Jun., 2025)
- GPA of 4.14/4.3 cumulatively

## 2 Experiences

- System Administration Assistant for DEPT. OF COMPUTER SCIENCE COMPUTER CENTRE since Fall 2023
  - Help to manage web, mail servers and workstations belonged to Dept. of CS
- Healthcare AI Software Engineering Intern at ASUS AICS in Summer 2023
  - Embarked on front-end team and added a feature gone into production
- Software Engineering Intern at Google Taiwan in Summer 2024
  - Supported AndroidX core SplashScreen library, fixing 3 bugs and resolving a flaky instrumentation test

## 3 Leaderships & Awards

### 3.1 Programming Contests

I started competitive programming since high school. Here are some prominent and prestigious contests I participated during college:

- 2021 National Collegiate Programming Contest Final (Taiwan), team *Dijkstra*, **Honorable Mention**, ranked 28<sup>th</sup>.
- 2021 International Collegiate Programming Contest Asia Taipei Regional, Team *Dijkstra*, **Silver Award**, ranked 30<sup>th</sup>.
- 2022 National Collegiate Programming Contest Final (Taiwan), team *DebugCat Capoo*, **Honorable Mention**, ranked 23<sup>rd</sup>.

- 2022 International Collegiate Programming Contest Asia Taoyuan Regional, team *DebugCat Capoo*, **Bronze Award**, ranked 39<sup>th</sup>.
- 2023 National Collegiate Programming Contest Final (Taiwan), team *DebugCat Capoo*, **4<sup>th</sup> Place Award**, ranked 14<sup>th</sup>.

### 3.2 High-Performance Computing Competitions

- 2022 APAC HPC-AI Competition<sup>1</sup>
  - Elected as leader of team NTHU-CM
  - Competed against 25 teams over 12 countries
  - Won the **1<sup>st</sup> place** champion and Best Big Data Analytics Performance Award
- 2023 ISC Student Cluster Competition<sup>2</sup>
  - Competed with 6 teams on site at Hamburg, Germany
  - Won the **2<sup>nd</sup> place**
- 2024 ISC Student Cluster Competition<sup>3</sup>
  - Competed with 7 teams on site at Hamburg, Germany
  - Won the **2<sup>nd</sup> place**

## 4 Skills

**Languages** C/C++, Python (main ones), JavaScript / TypeScript, Verilog (less-familiar), Go, Lua, Ruby, Rust, Java

**Tools & Libraries** Git, Unix-like OSs & shells, Docker, MPI, OpenMP, CUDA, Google Cloud
